A Message from Alice ...

Most of us are familiar with the term “bucket list,” a list of things we want to buy or do before we “kick the bucket.” There are pros and cons to having such a list, but having goals is always a good idea, I think. I really never made a bucket list per se, but I always have things in the back of my mind that I would like to buy or do one day. One of those goals was to compile pictures that I have taken and captioned of Tommy, the cherry tomato. Taking the pictures and making captions to bring smiles to people has been a source of great fun to me for several years now. I place one of the “Today’s Smile” on Facebook every day as well as putting a devotional for the day. One thing that has surprised me, however, is that the fun project has turned into a way to be a witness to people who might never listen to a spoken word about the joy that Jesus can bring.

I decided to take a “Tommy Chuckles and Wisdom” book with me to doctors’ appointments, to the ice-cream shop, etc. I have been pleasantly surprised at how grateful people are to get the book and that some of the doctors I thought would think me crazy for giving them the book have stood there reading it and laughed out loud!

We have all probably heard about how the Lord used a gospel tract to lead someone to Christ. I am praying that the Lord will use Tommy to lead them to ponder if they know the joy of the Lord that comes from knowing Jesus. (In the back of each book I have written that challenge to them.) Please consider getting some of the Tommy books to enjoy and to give out. And your purchases help support our overall ministry.

Blessings on each of you,

Alice

Our Ongoing Mission Project in Nicaragua

They buy in bulk and package food to give out to families.

This little church has started a mission! Note by the pictures that OUR concept of what a mission church looks like is vastly different from what they are able to do there. But, they are able to meet a need to provide a place where Christians can meet and worship together. We are thankful to be able to help. They presently need funds to purchase windows for the cinderblock building. If you feel led to contribute to them for food or for the mission, we will see that they get the money. Thank you.

There is an ongoing need for food. Only \$25 will provide food for a family for a week!

Please visit our website and take advantage of all of the resources that are there. We would also love to put you on our mailing list to receive daily devotions. AND if you want to participate in any of our online Bible studies on zoom, please let us know by sending us an email at lamplightersministries@gmail.com.

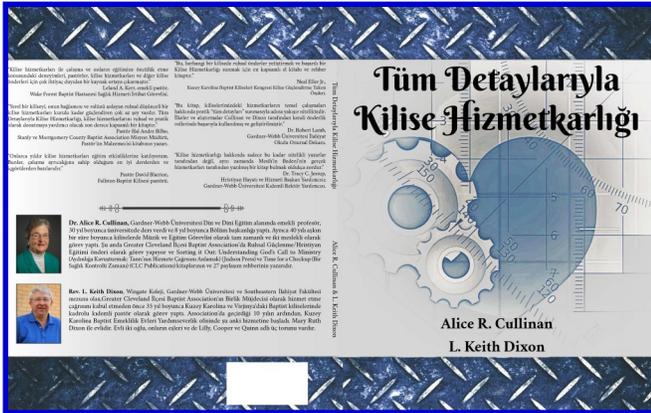

Please ask the Lord to open the door for Jose and Maria Espinal to travel to Nicaragua to teach churches there from the Power in a Promise book.

Please pray that Keith will be able to return to Armenia to teach seminary students and pastors from the Nuts and Bolts book.

The world situation is so unstable at this time, it is not safe to plan these trips right now.

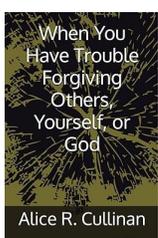

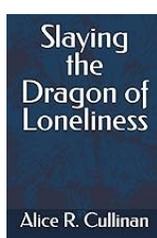

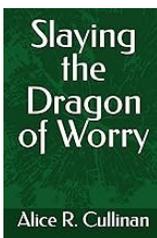

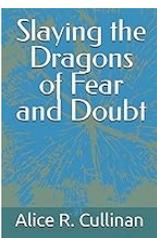

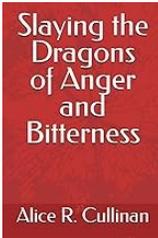

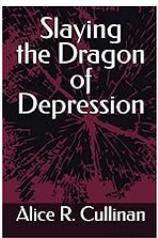

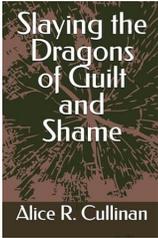

Our Newest Translation

This is the Turkish translation of the Nuts and Bolts of Deacon Ministry. Please pray with us about the best way to get these books into the hands of Christian leaders in Turkey.

PLEASE HELP US GET THE WORD OUT ABOUT THESE RESOURCES

So many people deal with these issues each day. Please help us let people know that these resources are available. We will also provide free copies of one of the books if a class will study it for at least four sessions (as long as funds are available).

These are our pocket size books and are only \$5 each. You can get them on amazon.com.

Our goal is to give away our resources to any who cannot afford them, as tools of ministry and evangelism. Prayerfully consider supporting us with your financial gifts to help us share these resources and to keep our internet ministry going strong. **(Since we are a non-profit agency, all donations are tax-deductible.)** All of us are volunteers, so 100% of all donations go to the ministry.

YOU CAN DONATE ONLINE from our website or send us a check made out to Lamplighters Ministries.

A Message from Keith ...

I pray that you are having a good summer and staying cool. Have you noticed how often we talk about the weather? No wonder the weather forecast on the news is really 4 or 5 teasers over a 30 minute part of the newscast. Another thing I have noticed is the number of commercials around the weather segment of the newscast. It looks like the weather is the most watched of all the news!

The weather does have a big impact on our lives. Storms, rain and snow or the mention of snow has spoiled many plans. We plan so much around a prediction of the weather, which with even the best technology cannot assure us completely what is going to take place. That is quite a gamble is it not?

Lamplighters Ministries is blessed to be able to share the Gospel of Jesus Christ. That Gospel is the same "yesterday, today and forever". The only thing that changes are our lives when we embrace the Good News and put it into practice. What that change looks like is when we are becoming more like Jesus. Please pray with us that the books that we write and distribute all over the world will be powered by the work of the Holy Spirit so people and churches will be transformed. Please pray that the moving of God will be such that people will talk about what He is doing more than we talk about the weather!

Blessings,

Keith Dixon
