## A Message from Alice ...

The Lord continues to bless Lamplighters Ministries and surprises us with new and wonderful opportunities to share His Word with people all over the world. There is no way that any of us involved in this ministry would have ever dreamed of being able to share resources with people in Turkey and Armenia as well as all over the United States! We are thankful to be able to send Keith back to Armenia this spring to teach once again in the seminary there. And he will be taking Clay and Keely Bryson with him, a wonderful young couple who will be making their first mission trip.

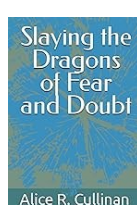

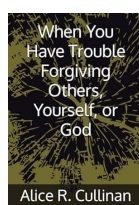

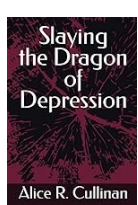

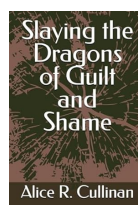

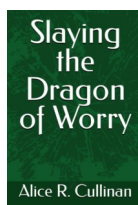

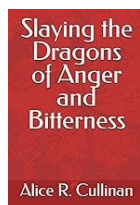

We also are in the process of having more of our resources translated into Turkish and Armenian. We are also working with the church and mission in Nicaragua to help them with the needs they presently have. We are praying about how to make more of our Spanish books available and how to get the Korean translation printed and distributed. All of the resources provided for Christians in Armenia and Turkey are without charge! How very thankful we are to be able to do that.

I am presently in the process of writing another book. This one is on how to get the most out of your Bible study. Hopefully, it will be finished and printed by summer.

I want to thank each of you who has supported us with your prayers, donations, and encouragement. You enable us to follow the Lord's leading in being able to give away resources free to those who cannot afford to purchase them. I hope you will consider buying some of the books, especially from the mini-book series, to give to people who need them.

Blessings on each of you,  
*Alice*

## MINISTRY TOOLS

**These "mini-books" are excellent tools you can use to minister to people in need.**

# Our Ongoing Mission Project in Nicaragua

## Christmas Blessings

We are so thankful that we were able to send funds to the church in Nicaragua to help them supply Christmas presents to 77 adults and children, along with food for the families there. Thank you so much for your support in helping us bless Pastor Pedro, his wife, Elena, and their congregation.

## WISH LIST

We asked Pastor Pedro to pray about any other needs that they have that we can help them meet. Below you will see the list that they sent to us. Please pray about whether you want to be a part of meeting these needs. You can donate to the entire project or specify which item(s).

30 plastic chairs @ \$9.00 each	\$270.00
Feed 30 families @ \$12.00 each	360.00
Power system for church	<u>600.00</u>
	\$1230.00

If we receive funds over this amount, the church can provide more food for the families.

# PRAYER NEEDS

Please join us in praying for these needs:

1. That the deacon book in Korean will be printed and distributed.
2. That the books that are now being translated into Turkish and Armenian will be printed and distributed and be a blessing to leaders in those countries.
3. That churches and individuals will be led to use our books to help their members grow in their faith and that they will give away materials as a way to witness.
4. For Keith (and Clay and Keely Bryson) as they go to Armenia in May and for the seminary leaders and students.
5. That the border between Iran and Armenia be opened so missionaries can be sent to Iran and that pastors can take advantage of seminary training in Armenia.
6. For Keith as he teaches training conferences and that other opportunities will be opened for him to do so.
7. For Alice as she writes books.
8. For the Lamplighters Ministries Board members that each discover the best ways to serve in this and other ministries.
9. That we can find a way to get more Spanish books to Hispanic church leaders.
10. That we will be sensitive to the Lord's guidance in what He wants us to do with our time, talents, and resources.
11. That our donors will continue to provide financial resources for us.

Our goal is to give away our resources to any who cannot afford them, as tools of ministry and evangelism. Prayerfully consider supporting us with your financial gifts to help us share these resources and to keep our internet ministry going strong. **(Since we are a non-profit agency, all donations are tax-deductible.) All of us are volunteers, so 100% of all donations go to the ministry.**

**YOU CAN DONATE ONLINE from our website or send us a check made out to Lamplighters Ministries.**

## A Message from Keith ...

Like most of you, I spent a few days before the recent ice storm getting ready for it and its effects. I also spent Sunday at home, because church was called off due to the roads and sleet. During the preparation and the storm, one thing worried us the most: there would be the loss of POWER! We have generators and candles, but that does not replace the POWER we have when all is well. As Christians, we should always be making sure that we do not lose our spiritual POWER. That POWER comes to us through the Holy Spirit. That POWER comes when we have a close, growing relationship with Jesus. Often, we face POWER outages in life when we fail to focus on Jesus every day of our lives. I am grateful that Lamplighters has materials that can help Christians stay connected to the POWER source (Jesus). When we live in the POWER of Christ, He will use us to bring people to Him and help us strengthen the churches we attend and serve. I encourage you to read the resources we have published and let the truths sink into your heart. They are based on the Living Word of God and our Living Savior. Let these spiritual truths live in you so you will not have a POWER outage!

Thank you for your contributions and your prayers that make it possible for people in a growing number of countries in our world to have resources that will help them experience Christ and share His love with others. God is at work! Praise His Wonderful Name! Please put us on your prayer list. Below are some of the ways we need your prayers.

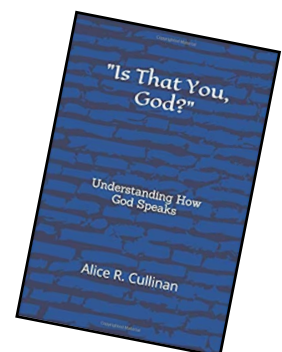

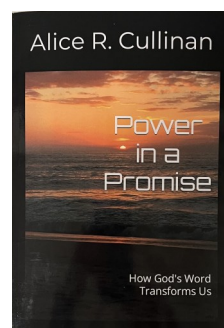

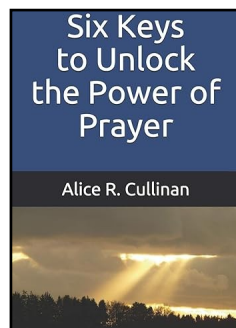

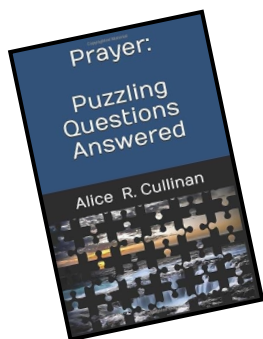

Blessings,

Keith Dixon
